ABC Technologies — Product Pricing and Feature Guide

Welcome to the official pricing guide for ABC Technologies SaaS Platform. We offer three flexible plans designed to scale with your business. All prices below are shown in INR.

1. Basic Plan (■999/month): designed for small teams and individuals. Includes up to 5 user accounts, 10GB of secure cloud storage, standard email support, and access to all core application features.

2. Pro Plan (■2,999/month): our most popular plan for growing businesses. Includes up to 25 user accounts, 100GB of secure cloud storage, priority support (response within 4 hours), advanced analytics, and custom integrations.

3. Enterprise Plan (■8,999/month): built for large organizations requiring scale and dedicated compliance. Includes unlimited user accounts, 1TB of secure cloud storage, 24/7 dedicated support manager, custom SLA guarantees, SSO authentication, and infinite custom API integrations.

Note: Annual billing options are available for all plans, offering a 15% discount. For custom plans or high-volume usage, please contact our Sales Department directly.
